

## Appendix One: Prisoner on staff assaults over the past 10 years, broken down by category of assault and prison

### Table notes:

- The count of serious assaults is based on the number of victims assaulted that sustain serious injury, not the number of assault incidents. For example, an assault by two prisoners on one member of staff is counted as one assault, whereas an incident in which one prisoner assaults three staff members but only two staff sustain serious injuries would be counted as two assaults.
- The count of non-serious and assaults resulting in no injuries is based on a count of incident events.
- \* Year-to-date numbers in the 2022/23 financial are current for the period ending 30 April 2023. Numbers are subject to change until the full year process has been completed, as incidents may be further investigated and reclassified.
- Corrections is continuing to emphasize the importance of reporting all assaults, including the use of the 105 online reporting channel.
